CREMIRCA VANILLA THERMO

The CREMIRCA range consists of top quality, ready to use creams, available in 8 delicate flavours that have a smooth, easy to spread consistency which makes them ideal for all sorts of uses in filling and decoration.

CREMIRCA creams can also be used when a high cooking tolerance is necessary. During freezing, CREMIRCA creams maintain their properties.

LEMON, ORANGE and WILD BERRIES-YOGHURT CREMIRCA creams lend themselves excellently as flavourings for custards and cream and in the preparation of ice-cream cakes, mousses and Bavarian creams.

Packaging:

6 kg and 14 kg pails.
